

Alessandro Di Michele

Board Member

Alessandro owns a degree in Economics at Glasgow University and a Master Degree in Micro Economics at the University of Cambridge. Alessandro is a Managing Partner of Green Arrow Capital, an Alternative Asset Manager based in Italy with around Euro 1.5bn in assets under management through Private Equity, Private debt and Infrastructure funds.

He started his professional career in London as a consultant for Braxton Associates/Deloitte Consulting. Following Alessandro has been a Director of H3G Italy, the mobile arm of the Hutchinson Whampoa Group (3 mobile), where he has been overseeing the finance activities as Deputy CFO. He has been an executive Director with the London Stock Exchange Group (LSEG) since 2008, where he has been Board member of all the Italian subsidiaries (Borsa Italiana and other 6 subsidiaries) and CFO. While at LSEG he has also been Chairman of GlobeSettle, a company of the London Stock Exchange Group active in the post trade sector in Luxembourg. Alessandro's experience has been mainly in strategic planning, M&A and financial support to decision making in start-up companies in the financial and technology sector as well as financial control in regulated entities.

Alessandro has a strong interest in cashmere and textile in general, through ventures he participated in with his life partners.
